

The River Speaks

**Did
you
know?**

Wetlands Provide ...

Flood Control, Important Habitat
for up to 90% of all
Species, Enhanced
Water Quality,
Climate Stabilization.

Salmo Watershed Streamkeepers Society wants to recognize

Wyatt Peebles

Jack Janssen Steenberg

Jackie Jonkheid and

Vladimir Kuzma

Collectively they have constructed 7,500 m² of
wetland for us all. Please connect with The
SWSS if you're interested in creating
wetlands at your place.
