

## Job Posting

**One (1) Summer position for an Environmental Assistant, 30h/week**

**Anticipated Start Date: June 3rd 2019**

*The Salmo Watershed Streamkeepers Society (SWSS) is a skilled, award-winning, charitable society. For more than 15 years, we have worked through rigorous scientific research, educational outreach, restoration, and partnership-building to improve the ecological integrity of the Salmo Watershed and other watersheds in the Columbia Basin.*

The SWSS is seeking a motivated individual who enjoys working outdoors and with others to join our team. The successful applicant will be assisting in both field and office-based activities with our coordinator and full-time Environmental Assistant.

### **Duties and Responsibilities**

As an environmental assistant, you will have the opportunity to receive training from current SWSS employees for all activities. You will have diverse duties and responsibilities that will include, but not limited to:

#### *Fieldwork:*

- Water quantity and quality assessments
- Field equipment maintenance
- Drone-activated wetland ground-truthing
- GPS data collection
- Biological surveys
- Other fieldwork as needed

#### *Office work:*

- Report writing
- Data management
- Website maintenance
- Project Proposal writing
- Development of education/stewardship programming
- Administrative tasks

#### *Other Society activities:*

- Public outreach events and presentations

### **Requirements/Certifications:**

- Have a Valid Driver's Licence.
- Have certification in Standard First Aid or equivalent

### **Our ideal candidate will have:**

- Great interpersonal skills
- Experience working with a GPS and GIS software
- Access to all weather field gear (good rubber boots, hiking boots, etc.)
- A strong understanding of environmental stewardship, values, and principles
- Comfort and have experience working outdoors
- Comfort working around moving water
- Good computer skills (MS Office, internet research)
- Swiftwater Rescue

### **Application Procedure:**

- Application Deadline: Until position is filled
- Applicants are to send a cover letter and a resume with references to: [gerry@streamkeepers.bc.ca](mailto:gerry@streamkeepers.bc.ca)
